

EXPANDING OUR INDUSTRIAL SUPPLY CAPABILITIES

THROUGH STRATEGIC GLOBAL SOURCING

BG INDUSTRIAL

Delivering High-Quality Industrial Solutions at Competitive Prices

GOOD DAY,

We are pleased to inform our valued clients and partners that **BG Industrial**, represented by **Dave Human and team**, will be visiting leading manufacturers in China over the next six months, including Tenfaye and various internationally recognized ball mill, girth gear, liner, and lifter manufacturers.

As part of our continued commitment to delivering cost-effective, high-quality solutions to the South African industrial and mining sectors, BG Industrial will also be investing in advanced **3D scanning equipment** for accurate measurement, reverse engineering, and component verification of critical plant equipment.

EXPANDED PRODUCT OFFERING

Our product offering is being expanded to include high-quality, reliable components for mills and processing plants:

PINIONS AND GEARS

HIGH-CHROME COMPONENTS

MILL BEARINGS

FORGED GRINDING BALLS

TRUNNION HOUSINGS

MILL LINERS AND LIFTERS

We have already invested in several of these product lines and have successfully sourced components that offer exceptional performance and reliability at highly competitive prices compared to current market offerings. Extensive testing of selected brands has produced excellent results.

MANUFACTURERS WE WILL BE ENGAGING WITH

Over the coming months, we will be engaging with manufacturers specializing in:

1 Slurry Pumps (100% interchangeable with major OEM brands)

2 Crushing and Screening Equipment

3 Industrial Bearings

4 Peristaltic Pumps

5 Conveyor Belts and Conveyor Components

6 Magnetic Over-Belt Separators and Magnetic Head Pulleys

7 VSD and Soft Starter Manufacturers in Shenzhen

8 Chains, Sprockets, and Power Transmission Components

9 Industrial Tooling and Tool Supply Networks

10 Vibratory Feeders and Screening Equipment

11 Special Conveyor Chains and Components for Milling Applications and Redler Conveyors

PARTNER WITH BG INDUSTRIAL

We invite you to share your equipment details, specifications, and current pricing requirements with us. This will allow us to investigate alternative sourcing options and provide competitive cost comparisons that may offer substantial savings without compromising quality or performance.

As **BG Industrial** continues to grow and explore new opportunities, we remain grateful for the support and trust of our valued clients. Your partnership has made these developments possible, and we look forward to bringing even greater value to your operations.

Should you require assistance with external sourcing, equipment procurement, reverse engineering, or alternative supply solutions, please do not hesitate to contact us.

STRATEGIC SOURCING. RELIABLE QUALITY. COMPETITIVE PRICING.

DELIVERING VALUE THAT POWERS YOUR SUCCESS.
